Business

- Thanks to everyone who attended our Chapter 15 Year Anniversary party, and thanks to Suzy and Al Piwonka for hosting the event at their house.
- On that note, someone decided to exit the party by cutting across Al's neighbor's grass from one driveway to another – this is unacceptable.
- A CPR certification class is being held at my house this Sunday at 11am for those who RSVPd to me - if you are interested in attending and have not RSVPd, talk to me today as there may be a couple of slots still open.
- Chapter bike nights – due to the low attendance of our recent bike nights, it has been decided that we will go back to one bike night a month on the fourth Thursday meeting at Portillo's in Buena Park.
